ШАБЛОНЫ

Как работать с прописями:

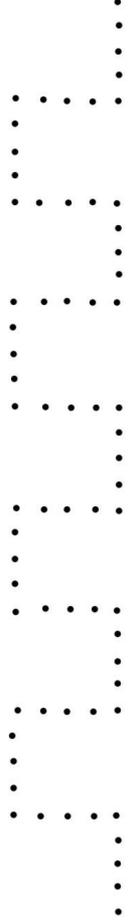

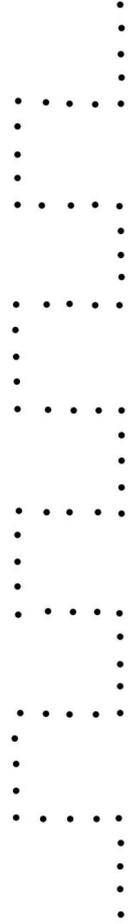

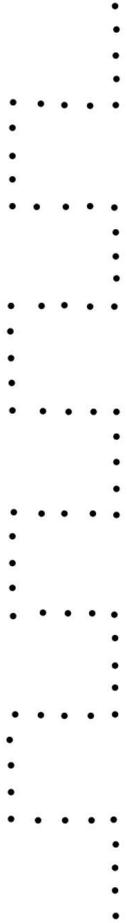

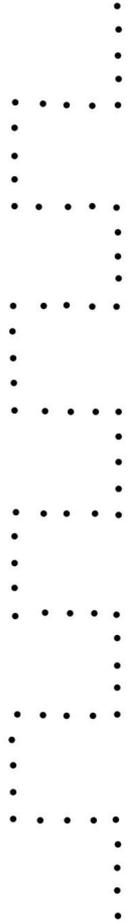

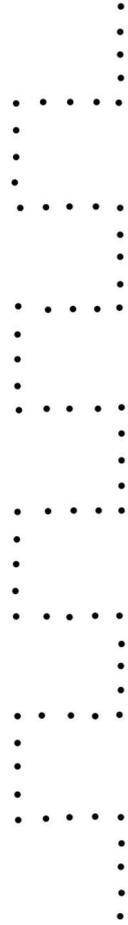

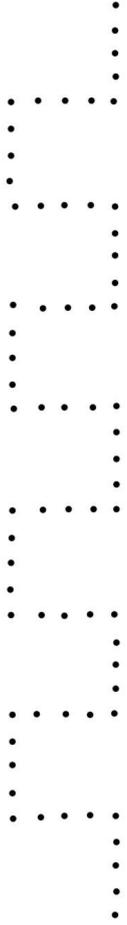

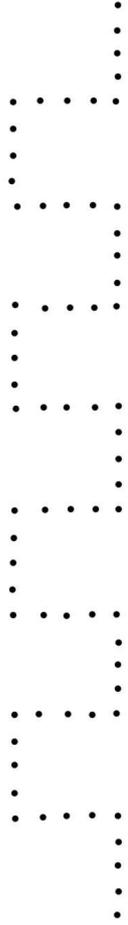

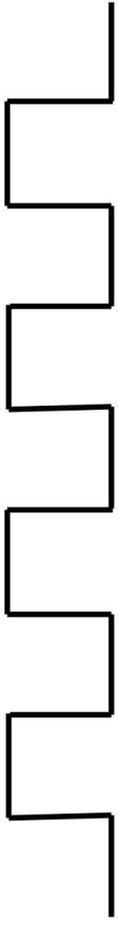

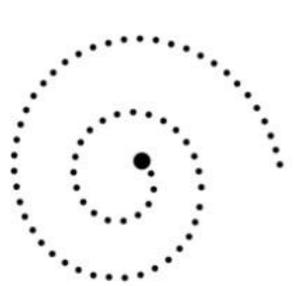

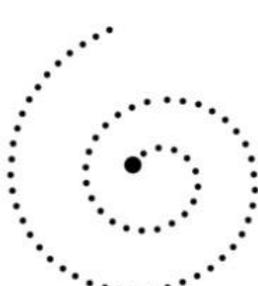

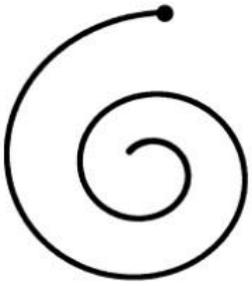

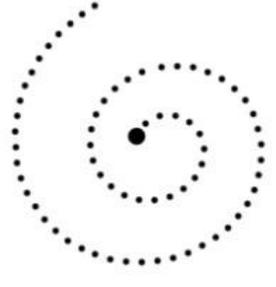

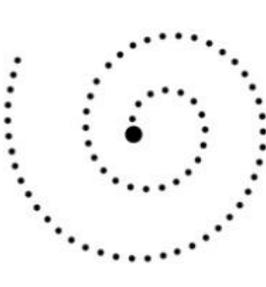

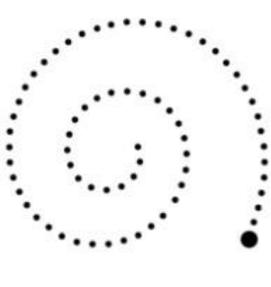

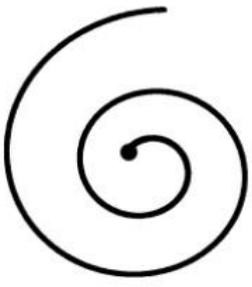

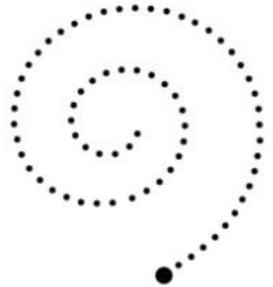

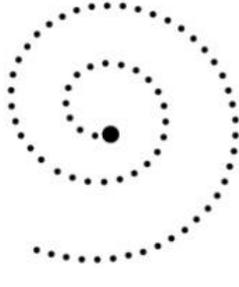

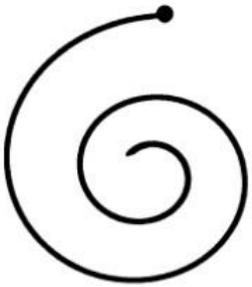

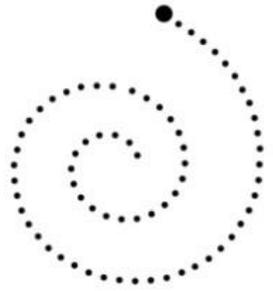

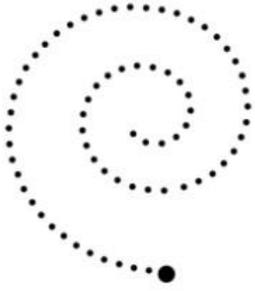

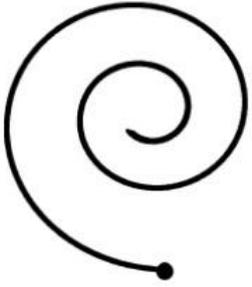

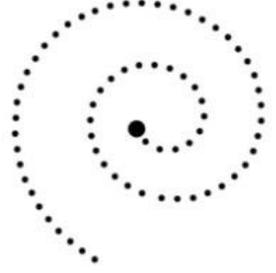

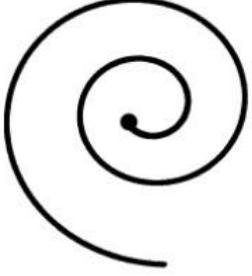

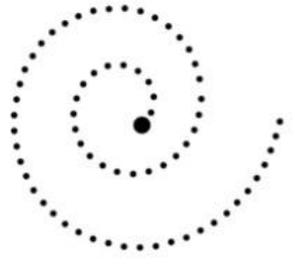

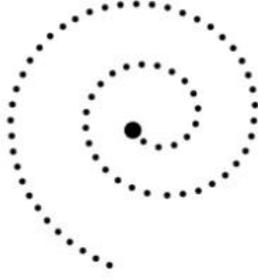

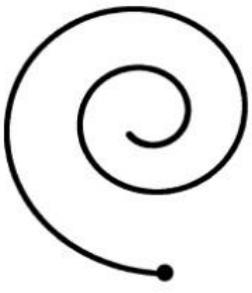

- 1. Распечатайте прописи (для печати можно использовать черно-белый принтер).**
- 2. Вложите лист в папку "Пиши и стирай", переверните в горизонтальное положение.**
- 3. Выдайте ребенку 2 маркера в обе руки.**
- 4. Попросите ребенка одновременно провести маркером по линиям: справа и слева листа.**
- 5. Сотрите линии, вложите новый лист в папку и продолжите занятие.**

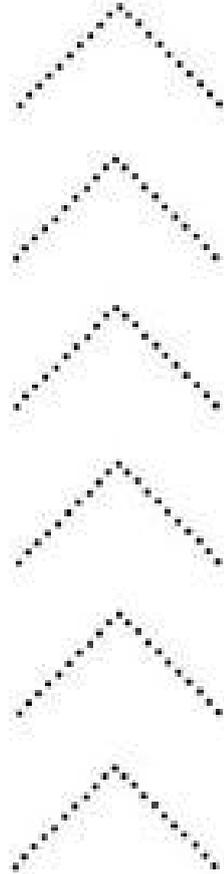

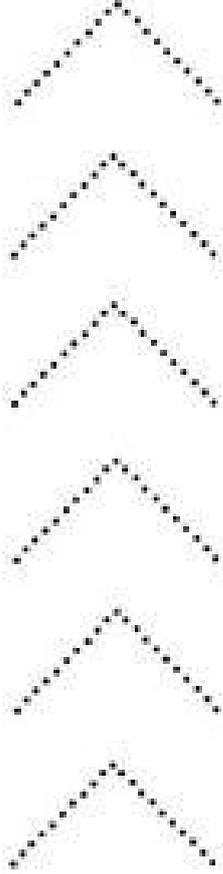

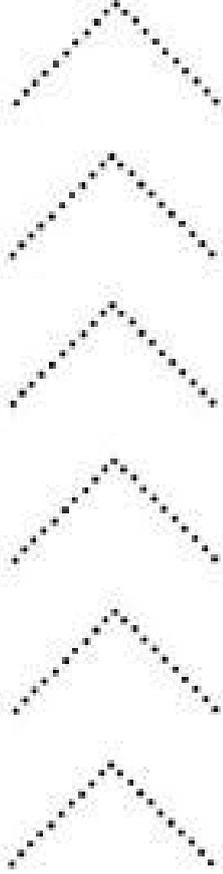

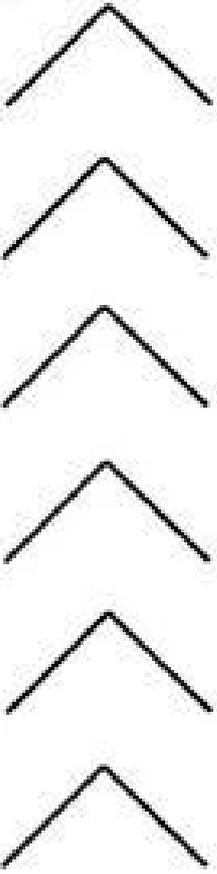

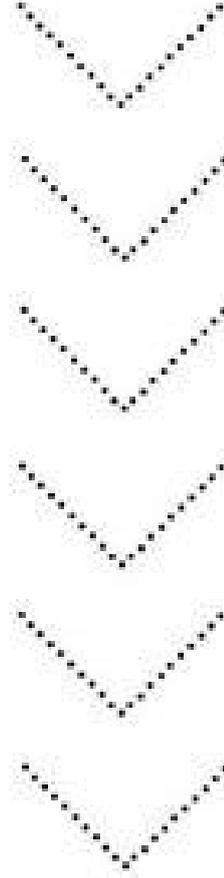

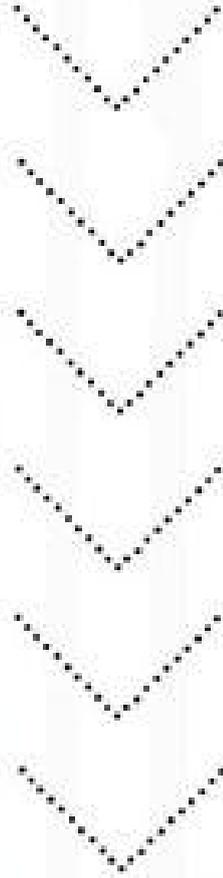

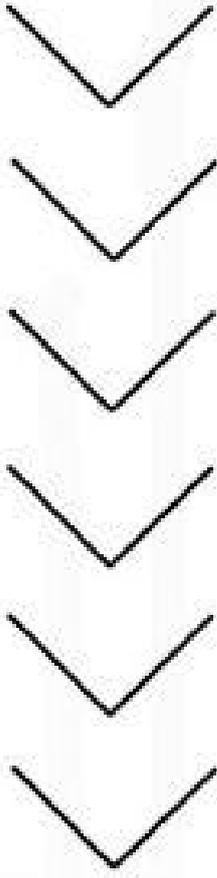

Занимайтесь не более 15 минут, чтобы малыш не устал и не потерял интерес!
