The diagram consists of a 50x10 grid of squares. The top-left square is labeled 'Start' with an arrow pointing to it. The bottom-left square is labeled '50' with an arrow pointing to it. A vertical arrow on the left side of the grid points downwards and is labeled 'Work down'. The grid contains a sequence of colored squares: white, red, and brown. The sequence starts at the top-left and proceeds downwards, then horizontally, then upwards, then horizontally, and so on, following a complex path that eventually reaches the bottom-left square labeled '50'.
