

VICTORINOX

CORNER, COUNTER, DISPLAY & FIXTURE CATALOGUE

VICTORINOX RETAIL 2015

MAKERS OF THE ORIGINAL SWISS ARMY KNIFE

CORNER FRAME OPTIONS

The Backwall is a modular free standing combination of elements that can be changed to suit the different product categories.

Corner with a red Frame

The frame in Victorinox red is a great eyecatcher.

Corner with a grey frame

The grey frame provides a different look and feel to suit the local requirements.

Corner with no frame

The backwall without the frame surround allows the system to be installed where there are restrictive ceiling heights. The additional top panel lighting ensures a well illuminated backwall.

COUNTER OPTIONS

COUNTER BACKWALL

A single freestanding backwall showing the Victorinox Swiss Army logo.
To be used for watches only.
